Terry Harris has suggested that we NOT just straight out ask for a doubling of the FedEx contribution. Rather, he recommends that we ask for a renewal of the \$50,000 level AND that we request a meeting to discuss a possible increase over that. This has to do with internal procedures, and I think we have to follow Terry's lead on this. (He promises to push for a meeting sooner rather than later. It would involve Bruce Townsend and Chris Richards.)
